Sir,

Re enhancing the fine from 0-4-0 to 0-6-0 for horses impounded in the cattle pound in Konanur Minor Municipality

---

I have the honour to state that it is reported that there are large number of horses in Konanur, that they are causing great havoc to paddy and other crops and with a view to minimise this hardship the Minor Municipal Council of Konanur proposed in their resolution dated 30-5-48 to increase the rate of fine in respect of horses impounded in the cattle pound from annas four to annas six per horse Objections were also invited from the public and it was finally resolved on 29-6-1948 to enhance the rate of fine as proposed

The connected records with the resolutions of the Municipal Council are enclosed for favour of perusal In the circumstances I request that sanction of Government may kindly be obtained to the resolution of the Municipal Council in the matter

I have the honour to be,
